

ST. LOUIS PUBLIC SCHOOLS - HVAC PROGRAM

KWAME provided program management services for HVAC system upgrades at 30 St. Louis Public School institutions as part of a joint venture. The project scope included HVAC renovations, electrical upgrades and interior renovations.

KWAME provided services throughout the planning, design and construction process to assure the best value, with the projects completed on time and within budget. **KWAME** also was responsible for design reviews, the bidding process, on-site management and recommendations for awarding construction contracts

Construction Cost: \$80 Million
Completion Date: 2003
